Friday 10/20/50

Dear Grandma -

This is a cool sunny day with wind pulling the last bright leaves off the trees. The colors were lovely as we drove up yesterday. Aubrey and I will drive back through the Berkshires this afternoon.

The trip was to bring Mrs. Fairchild up to open the house for the movers, who will bring the Montclair furniture to be stored here since that house has been sold. Mrs. F. will stay till Sunday probably, as the movers are due tomorrow.

Love, Elizabeth
